***Kain***

*Mixing traditional and modern, the Kain audio video stand will be a perfect fit in your family or media room. A beautiful dark faux marble top with wrapped edges can easily hold large televisions and décor. There is an open middle section with adjustable shelving, while the sides provide concealed storage for extra room. The faux tambour doors with gold knobs add a stylish element and open to reveal adjustable shelving to fit a variety of media. The wood frame has birch veneers and an espresso finish.*
