OVERVIEW

Enjoy the best of the Internet direct to your TV with LG's BH5140S home theater system. Enjoy streaming content from providers like Netflix and YouTube for entertainment that you and your family want. And, with LG Apps download additional apps to make your TV experience customized to you. Want to watch 3D? With 3D capability you can enjoy 3D movies in Full HD 1080p.

HIGHLIGHTS

LG SMART TV

Access premium content from providers like Hulu Plus®, Netflix® and YouTube® directly through your LG Smart TV*. Stream your favorite movies and TV shows, enjoy the latest games, apps and more. LG connects you to the content that you and your family want.

LG APPS

The LG Smart World app store built into your LG Smart TV is loaded with fun and useful new apps for you to search, download and enjoy, taking your entertainment experience to the next level.

BLU-RAY 3D

If you have a 3D-capable television, this player lets you enjoy visually spectacular Hollywood blockbusters on Blu-ray 3D Disc™, in stunning quality.
