- ◆ 1 - USB 2.0 port
- ◆ 1 - HDMI® port with HDCP support
- ◆ Precision Touchpad (supporting Windows Modern Touchpad gestures)
- ◆ 4-cell Li-Ion (3220 mAh) Battery, with up to 8-hour battery life
- ◆ 3.31 lbs. | 1.5 kg (system unit only)

Acer® Aspire R11 R3-131T-P15C Touch Notebook

Acer® recommends Windows

Fits Anywhere

Selling Points

1 Incredible Versatility

You weren't designed to sit still, and neither was the Acer Aspire R 11. From cooking in the kitchen, watching a movie, or reading a story before bed, its **four modes** were designed to flow with you. Its incredible **360 Dual-Torque Hinge** delivers the perfect combination of flexibility and strength so you can effortlessly open the lid with just one hand yet have enough torque to have a wobble free touch experience.

Use the Aspire R 11 as a mobile tablet on-the-go, optimize productivity in its comfortable notebook mode, and pivot the screen in multiple ways to share and create with others. You can even **open it 180 degrees** and easily share the content and collaborate with a person sitting across from you. The PC detects the mode you are in and adjusts the wallpaper and background accordingly.

- Notebook: Maximizes productivity with fully functional keyboard.
- Display: Brings the screen closer when you watch a movie, also a great photo frame
- Tent: The perfect mode when space is limited such as in an airplane or kitchen.
- Pad: The best way to play, share and browse.

2 Fun and Entertaining

An **Intel® Pentium® processor** in the Aspire R11 means you get the best of both worlds. Simply flip, swivel, or rotate to switch between laptop, tablet, display or tent mode. Experience Intel level performance that lets you enjoy entertainment and get your work done.

The **11.6" HD Gorilla® Glass touch panel** is smooth to the touch, yet strong, scratch resistant and easy to clean. The **Zero Air Gap technology** ensures visuals pop with vivid, lifelike images. By reducing frustrating reflections the panel provides cleaner, sharper images and increases readability in the sunlight.

Stay in touch at home, at work or on the go, all in HD, with the **Skype Certified advanced HD Webcam** ensuring that every word will be heard clearly with no gap or lag in speech and with minimal background noise and zero echo. Call, video chat, message, and share files seamlessly with superior audio and crystal-clear visual quality.

Immerse yourself wherever you move. **Acer's TrueHarmony** delivers lifelike audio that takes entertainment to the next level and its smart too by automatically reversing when the screen orientation changes. Whatever mode your in, the audio output moves ensuring sound is perfect in each mode. Want more? The **HDMI® port** will extend your Full HD experience to your HDTV through a single cable.

3 Smart & Efficient

Windows 10 is the best combination of the Windows you already know, plus lots of great improvements you'll love. Technologies like InstantGo⁽¹⁾ let you boot up and resume quickly and everything runs fast and smooth; all Windows 10 devices now have Battery Saver to automatically conserve power – so you can work longer and play harder. And with **Cortana**⁽²⁾, you have a personal digital assistant who works across all your Windows 10 devices to help you get things done.

The Aspire R 11 makes life seamless. Its 10-point multi-touch combined with **Acer Touch Tools**, provide a very accurate and intuitive touch control. **Easily** capture and share images, coupons or photos with a snap of your fingers. Discover how much easier life can be with the Aspire R 11.

Acer's **Precision Touchpad** supports Windows Modern Touchpad gestures and makes touch control as accurate and gestures as smooth as on a touchscreen. Pinch, flick and swirl your fingers on the Touchpad for an intuitive navigation of web pages, photos and more.

The Acer R11 keeps you connected all day with fast **802.11ac Wireless** and **8 hours of battery life**. Spending several hours at a time on your laptop? **Acer BluelightShield™ technology** protects your eyes from potentially harmful blue-light effect, reducing eye strain and fatigue over extended periods.

Fits Anywhere

Positioning Statement

Pick up the Aspire R 11, and you'll see the world in a new way. Because with a smart computer fluidly moving between four modes, there are no limits to the work that can be created, moments to be shared and connections to be made. Discover a computer that's everything you need it to be, wherever you go.

(1) Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Intel Burst Technology performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) MB is 1 million bytes; GB is 1 billion bytes; TB is 1 trillion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8GB (10GB with Microsoft® Office Starter 2010 Trial) of the stated hard disk capacity as dedicated backup space.

(4) Battery life varies depending on product specifications, computer settings, and applications or features launched.

(5) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For international travelers warranty valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>, or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada

(6) 30-days of complimentary subscription. Internet connection required to start trial

(7) Microsoft Office Trial included. After or during the 30-day trial, purchase an Office Product Key to activate one of the following Office suites preloaded on this PC: Office Home and Student, Office Home and Business, Office Professional.
